

Ergonomics in Action Tech Guide 220

Appendix A: Glossary of Acronyms

ACGIH	American Conference of Government Industrial Hygienists
AM	asymmetric multiplier
ANSI	American National Standards Institute
APN	abatement priority number
AR	Army regulation
BLS	Bureau of Labor Statistics
CAP	Computer/Electronic Accommodations Program
CEI	cost effectiveness index
CFR	Code of Federal Regulations
CM	coupling multiplier
CPAC	Civilian Personnel Advisory Center
CPO	civilian personnel officer
CTS	carpal tunnel syndrome
CTD	cumulative trauma disorder

DA	Department of the Army	OH	occupational therapist
DA PAM	Department of the Army pamphlet	OSH	occupational safety and health
DM	distance multiplier	OSHA	Occupational Safety and Health Administration
DMED	Defense Medical Epidemiological Database	OT	occupational therapist
DMSS	Defense Medical Surveillance System	OWCP	Office of Workers' Compensation Programs
DoD	Department of Defense		
DoDI	Department of Defense Instruction	POC	point of contact
DOEHRS	Defense Occupational Environmental Health Readiness System	PPE	personal protective equipment
DOL	Department of Labor	PT	physical therapist
EI	effectiveness index	RAC	risk assessment code
EST	estimate	ROM	range of motion
		RWL	recommended weight limit
FECA	Federal Employees Compensation Act		
FM	frequency multiplier	SF	standard form
		SOH	safety and occupational health
HHIM	Health Hazard Information Model	SPM	severity probability multiplier
HM	horizontal multiplier		
HQDA	Headquarters, Department of the Army	TG	technical guide
		TLV	threshold limit value
ICD	International Classification of Disease		
ICPA	Injury Compensation Program Administrator	USACHPPM	U.S. Army Center for Health Promotion and Preventive Medicine
ICUC	Injury Compensation/Unemployment Compensation		
IH	industrial hygiene	VDT	video display terminal
ISO	International Standards Organization	VM	vertical multiplier
JR/PD	Job Requirements and Physical Demands	WMSD	work-related musculoskeletal disorder
L	current load weight		
LBP	low back pain		
LC	load constant		
LI	lift index		
MEDCOM	Medical Command		
MEDDAC	Medical Activity		
MOS	military occupational specialty		
MTF	medical treatment facility		
NED	number exposed daily		
NIOSH	National Institute for Occupational Safety and Health		
NOI	nature of injury		
NSAID	non-steroid anti-inflammatory drug
